

# MARSDEN PARK SUMMER SIXES COMP

## FAQS

### *How do I sign up?*

Firstly, get your mates together to form a team.

Nominate a Team Manager to complete and lodge a Team Nomination Form including a list of your player's full names. You will also need a team name and decide your team colours/uniform.

MPGFC SS will then contact your Team Manager to confirm acceptance of the team. Once the Team is accepted, the Team Manager then registers as a Manager in Dribl. A unique Team Code will be generated and sent to the Manager. The Manager then provides the Team Code to the team players. Players may commence registering as a Player via DRIBL and will need the Team Code to complete the registration process.

### *What happens after my team is registered?*

Your Team Manager will receive a confirmation email of the team's registration to the competition.

Once all your Players have completed their registration and payment, your team is ready for kick off. You just need to finalise your team uniform ready for first game.
